

POLICY

Essential Knowledge and Skills

JUBILEE ACADEMIC CENTER (“School”) shall establish instructional objectives that relate to the essential knowledge and skills for grade-level subjects or courses. These objectives shall address the skills needed for successful performance in the next grade or next course in a sequence of courses.

Assignments, tests, projects, classroom activities, and other instructional activities shall be designed so that the student’s performance indicates the level of mastery of the designated School objectives. The student’s mastery level shall be a major factor in determining the grade for a subject or course.

Guidelines for Grading

The SUPERINTENDENT or designee shall ensure that each campus or instructional level develops guidelines for teachers to follow in determining grades for students. These guidelines shall ensure that grading reflects a student’s relative mastery of an assignment and that a sufficient number of grades are taken to support the grade average assigned. Guidelines for grading shall be clearly communicated to students and parents.

In accordance with grading guidelines, a student shall be permitted a reasonable opportunity to redo an assignment or retake a test for which the student received a failing grade.

Progress Reporting

Grade reports shall be issued every [#] weeks on a form approved by SUPERINTENDENT or designee.

Interim Reports

Interim progress reports shall be issued for all students after the [#] week of each grading period. Supplemental progress reports may be issued at the teacher’s discretion.

Conferences

Conferences may be requested by a teacher or parent as needed.

Academic Dishonesty

Students found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another

supervising professional employee, taking into consideration written materials, observation, or information from students.
