

**Purpose**

The JUBILEE ACADEMIC CENTER (School) dress code is established to teach grooming and hygiene, instill discipline, prevent disruption, avoid safety hazards, and teach respect for authority.

**General Guidelines**

The Superintendent or designee shall establish dress and grooming standards for all students. Violations of dress and grooming standards shall be described in the Student Code of Conduct. Campus Principals may, at their discretion, impose additional reasonable dress and grooming standards.

**Extracurricular Activities**

The Campus Principal, in cooperation with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity. Students who violate dress and grooming standards established for such an activity may be removed or excluded from the activity for a period determined by the principal or sponsor and may be subject to other disciplinary action, as specified in the Student Code of Conduct.

**Uniforms**

If the Board determines that requiring school uniforms would improve the learning environment at a school in the School, the Board may adopt rules that require students at that school to wear school uniforms. Students shall wear uniforms beginning on the 90th day after the date on which the Board adopts the rules.

**Funding**

The rules adopted by the Board must designate a source of funding to be used to provide uniforms for educationally disadvantaged students.

**Exemptions**

A parent or guardian of a student assigned to a school where uniforms are required may choose for the student to be exempted from the uniform requirement or for the student to be transferred to a school where uniforms are not required and at which space is available. In order to exercise one of these options, the parent or guardian must provide a written statement that states a religious or philosophical objection to the uniform requirement that the Board determines is bona fide.
