COMPENSATION AND BENEFITS: WORKERS' COMPENSATION PG-4.25

As permitted by state law, Jubilee Academic Center ("School") provides workers' compensation benefits to employees who suffer a work-related illness or personal injury due to accidents arising out of their employment with the School. These benefits are paid for entirely by the School and help pay for medical treatment and make up for part of the income lost while recovering. All work-related illnesses, accidents, or injuries should be reported immediately to the employees supervisor and the Superintendent.

Employees who suffer a work-related injury or illness, and who must be off work due to such injury or illness, shall be governed by applicable provisions of the Workers' Compensation Act (the "WCA") and the federal Family and Medical Leave Act (the "FMLA") where applicable.

The Superintendent shall develop procedures to implement Life School's Workers Compensation program, including procedures for requesting and use of leave benefits, injury reporting requirements, return to work and reinstatement procedures, absence control procedures, and any other procedure necessary to effectuate the WCA as required by law
