INNOVATIVE PROGRAMS

Project-based Learning

- Focuses on a big and open-ended question, challenge, or problem for the student to research and respond to and/or solve
- Brings what students should academically know, understand, and be able to do into the equation
- Is inquiry-based, stimulates intrinsic curiosity, and generates questions as it helps students seek answers
- Uses 21st-century skills such as critical thinking, communication, collaboration, and creativity, among others.
- Builds student choice into the process.
- Provides opportunities for feedback and revision of the plan and the project, just like in real life

LEADERSHIP DEVELOPMENT

Determined Destiny Culture

DDC is not a program, but it is about process standards supporting a culture of excellence.

Student and staff outcomes:

- High performing teams
- Self-managed groups
- Process standards to guide our daily activities and create great relationships that lead to a nurturing community.

Parent & Community Engagement Plan

Objectives and Strategies

Target Audience - Parents • Grandparents • Guardians • Community Leaders/Partners in Education • Staff

Communication - Engage parents on a consistent basis by providing access to ongoing updates and opportunities. The Superintendent's Advisory Council, made up of students, parents, employees and community members, meets quarterly to discuss a variety of topics and review the District Improvement Plan.

Customer Service - Create an environment that is welcoming and collaborative for our parents and community. Jubilee's Determined Destiny Culture guides employees to create a welcoming environment. The Customer Service Committee will provide training for Jubilee's support staff on a monthly basis.

Leadership & Advocacy - Empower and support parents as advocates for their child's success at Jubilee. Jubilee's Determined Destiny Values (DDV) guide families and students through Jubilee's core value system. Parents/Families work together through an eight week program, focused on leadership and empowerment.

Parent & Community Engagement Plan

Decision-Making - Encourage a partnership, giving parents a voice in school policy and district/campus level initiatives. Parents are given the opportunity to participate in the decision making process by participating in the Superintendent Advisory Council, regular monthly meetings with campus leadership, and through forums.

Engagement - Provide real time opportunities for parents, families, staff and community members to engage and participate in the advancement of the education of all Jubilee students. Forums to provide families with tips and strategies to reinforce learning and social and emotional wellness. Parents will have the opportunity to participate in monthly presentations/activities that will support the development of their students' academic and social emotional well-being.
