

RFP 24-001 District Wide Tutoring Support Services

| Question | Response |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Will vendors be providing both tutoring services for students and training for Jubilee staff tutors? | Tutoring services for students and possible training of district staff who may be required to tutor as needed. |
| Is tutoring required to be delivered in person? | Yes. |
| How many students are expected to receive tutoring? | Not known at this time. |
| What grade levels and subject areas will the tutoring be provided for? | All grade levels and all subjects may be required. |
| Can we submit bids for virtual tutoring services only? | No. Tutoring services must be provided in person at all locations. |
| Does Jubilee Academies want tutoring sessions to be delivered virtually or in person? | In person. |
| What grade levels and content will the tutoring sessions be addressing? | All grade levels and all subjects may be required. |
| The Scope of Work (page 11) mentions (item B) the request to deliver tutor training. Our tutors are trained prior to working with students. Is Jubilee Academies wanting the vendor to provide training to other tutors? | Tutoring services for students and possible training of district staff who may be required to tutor as needed. |
