Educational Excellence*

NOTICE TO OFFERORS
F.A.Q.

This notice serves as ADDENDUM #1 for Solicitation Number RFQ-20-011 for Architectural/Engineering

Q1. For the scope of services below, do I submit only on the items my firm provides (civil and traffic), or do I need to include an entire team for all areas in the scope requirements?

A1. Engineering firms are to list which of the services they can provide. It's difficult or rare to find firms that can cover all the services listed in the scope of work. In their submission, each firm should list the services they can provide in house only, not as a subcontracted service.

Q2. On Question 10b – are the years correct?

A2. The correct years should be 2017, 2018, 2019, 2020.

Please contact Matthew Gonzalez @
dept.purchasing@jubileeacademic.org or at 210-618-9193

A handwritten signature in black ink that reads 'Matthew Gonzalez'.
