The following Corrections and Clarifications Apply to: RFQ-20-011 for Architectural/Engineering:

- On Thursday, February 18, 2021, the San Antonio Express News inadvertently published the notice of our RFQ. The proof was never approved by Jubilee Academies. The Express News posted the RFQ by mistake on their on-line version of the newspaper from 4:30PM - midnight on February 18, 2021. The correct and complete version was published on February 25, 2021 and then a second time on March 1, 2021.
- RFQ-20-011 will be split. Each RFQ will be given its own unique number sequence. The context of the documents have not been altered or changed.
