18. **WARRANTY-PRICE:** The price to be paid by the School shall be that contained in the Contractor's bid which the Contractor warrants to be no higher than Contractor's current prices on orders by others for products of the kind and specification covered by this contract for similar quantities under similar or like conditions and methods of purchase. In the event Contractor breaches this warranty, the prices of the items shall be reduced to the Contractor's current prices on orders by others, or in the alternative, the School may cancel this contract without liability to the School for breach at Contractor's actual expense. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. 21. **WARRANTY-INFRINGEMENT:** As part of this contract for sale Contractor agrees to ascertain whether goods manufactured in accordance with the specifications attached to this contract will give rise to the rightful claim of any third person by way of infringement or the like. The School makes no warranty that the production of goods according to the specification will not give rise to such a claim and in no event shall the School be liable to the Contractor for indemnification in the event that Contractor is sued on the grounds of infringement or the like. If Contractor is of the opinion that an infringement or the like will result, he/she will notify the School to this effect in writing within two weeks after the signing of this contract. If the School does not receive notice and is subsequently held liable for the infringement or the like, the Contractor will hold the School harmless (if the Contractor in good faith ascertains that production of goods in accordance with the specifications will result in infringement or the like, this contract shall be null and void except that the School will pay the Contractor the reasonable cost of his search as to infringements).
22. **RIGHT OF INSPECTION:** The School shall have the right to inspect the goods before accepting them.

CRIMINAL HISTORY REVIEW OF PROVIDER EMPLOYEES

Please complete the information below:

I, the undersigned agent for _____ (“Provider”), certify that [check one]:

None of the employees of Provider and any subcontractors are “covered employees” as defined above. If this box is checked, I further certify that Provider has taken precautions or imposed conditions to ensure that the employees of Provider and any subcontractor will not become covered employees. Provider will maintain these precautions or conditions throughout the time the contracted services are provided.

or

Some or all of the employees of Provider and any subcontractor are “covered employees.” If this box is checked, I further certify that:

1. Provider has obtained all required criminal history and/or fingerprinting record information regarding its covered employees through the Texas Department of Public Safety as required by law.
2. If Provider receives information that a covered employee subsequently has a reported criminal history, Provider will immediately remove the covered employee from contract duties and notify the School in writing within three business days.
3. Upon request, Provider will provide the School with the name and any other requested information regarding covered employees so that the School may obtain criminal history record information on the covered employees.

Contract Provisions

With respect to the use of federal funds for the procurement of goods and services, 2 CFR 200.326 and Appendix II to 2 CFR 200 require the inclusion of the following contract provisions.

1. Remedies for Contract Breach or Violations. Contracts for more than the simplified acquisition threshold currently set at \$150,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
2. Termination for Cause and Convenience. All contracts in excess of \$10,000 must address termination for cause and for convenience by Jubilee Academies including the manner by which it will be effected and the basis for settlement.
3. Equal Employment Opportunity. Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
4. Davis-Bacon Act. When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by Jubilee must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. Jubilee must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. Jubilee must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. Jubilee must report all suspected or reported violations to the Federal awarding agency.

5. Contract Work Hours and Safety Standards Act. Where applicable, all contracts awarded by Jubilee in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
6. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
7. Clean Air Act and the Federal Water Pollution Control Act. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
8. Energy Efficiency Standards and Policies. Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).
9. Debarment and Suspension. A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
10. Byrd Anti-Lobbying. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for

influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier.

The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000 procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

EDGAR Vendor Certification

(2 CFR Part 200 and Appendix II)

When a school district seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All vendors submitting proposals must complete this EDGAR Certification Form regarding vendor's willingness and ability to comply with certain requirements which may be applicable to specific school district purchases using federal grant funds.

For each of the items below, vendor should certify vendor's agreement and ability to comply, where applicable, by having vendor's authorized representative complete and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the district will consider and may list the vendor's response as "NO," the vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a school district to purchase from the vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Except as otherwise provided for in these Terms and Conditions, either party may terminate the contract in whole or in part in the event of the other party's substantial failure to fulfill its obligations under the contract through no fault of the terminating party; provided, however, that the defaulting party is given at least ten (10) business days prior written notice of the default and intent to terminate (delivered by certified mail, return receipt requested, or other method that similarly documents receipt), and a ten (10) business day opportunity to remedy the default to the satisfaction of the terminating party.

Jubilee Academies will not be liable to the vendor for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) resulting from termination based on vendor's default or breach of contract.

If any delay or failure of performance is caused by a Force Majeure, Jubilee Academies may, in its sole discretion, terminate the contract in whole or part, provided such termination complies with the procedures set out above. Any contract termination resulting from any cause other than a Force Majeure event will be deemed valid reason for not considering any future proposals from the defaulting Vendor.

Force Majeure includes, but is not limited to, governmental restraints or decrees, provided they affect all companies in vendor's industry equally and are not actions taken solely against vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The remedies under the contract are in addition to any other remedies that may be available under law or in equity. By submitting a proposal, you agree to the vendor violation and breach of contract terms.

2. Termination for Cause or Convenience:

With this paragraph, the school district shall only be required to pay vendor for goods or services delivered to the school district prior to the termination and not otherwise returned in accordance with vendor's return policy. If the school district has paid vendor for goods or services not yet provided as of the date of termination, vendor shall immediately refund such payment(s).

If an alternate provision for termination of a school district purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the school district's purchase order, or construction contract agreed to by the vendor, this provision shall prevail.

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all school district purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any school district purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by federal program legislation, vendor agrees that, for all school district prime construction contracts/purchases in excess of \$2,000, vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146- 3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the vendor is conditioned upon vendor's acceptance of the wage determination.
